NURSERY · INC.

LITTLE SILVER, N.J.

This Is Not True!

Numerous of our highly esteemed patrons continue to declare, in a most positive way, that we are producing nursery stock of higher quality than can be purchased from any other firm. Quite naturally, we appreciate receiving such complimentary reports. However, we are well aware of the fact that there are many brother nurserymen who are growing and distributing nursery stock of just as high quality as are we. We feel that we are justified in believing that better nursery stock than that which we are growing cannot be found anywhere. Moreover, it is our firm determination to continue to grow most carefully, not only nursery stock of the highest possible quality, but also nursery stock in complete assortment.

Visitors are always welcome at our Nursery. Our location on the Jersey Shore is easily reached from all points, due to splendid highways, and to our central location between New York and Philadelphia.

HARDY SHRUBS

Evergreen and Deciduous

Our splendid sturdy, hardy Shrubs, all of which are graded according to, and above the Standards adopted by the American Association of Nurserymen, have been selling "like Hot Cakes", but we can still supply many thousands of beautiful specimens.

Orders for less than ten plants of a variety or grade will be invoiced at an advance of 25% over the ten rate. This does not refer to varieties listed as balled and burlapped.

Prices quoted do not include cost of packing. See Terms and Conditions of Sale on inside of back cover.

Special Shrub Offerings

Really Great Bargains!

Of course, we realize that Hardy Shrubs are scarce and costly, but that does not prevent us from again giving our patrons the benefit of the following attractive offerings. All of these shrubs are two years old, or older, and hence can be depended upon to give quick and satisfactory results. Also all are correctly labeled, and many choice varieties are included.

- 100 Assorted Shrubs, our choice of varieties, not less than 10 varieties at.....18c each
- 500 Assorted Shrubs, our choice of varieties, no more than 15 of a kind, at.....17c each
- 1000 Assorted Shrubs, our choice of varieties, not less than 20 varieties, at.....16c each

When making out your order, kindly state whether you prefer mostly tall-growing shrubs, or medium-growing shrubs, or dwarf-growing sorts. If no preference is indicated, the order will be filled with varieties of assorted types.

AZALEAS

Our supply of Azaleas is rather limited this spring, the great demand for our Azaleas which we experienced last fall having almost exhausted our supply of these beautiful, well grown plants.

NOTICE

We are very sorry to advise that we cannot accept any orders calling for Balled and Burlapped Shrubs except in carload lots, or delivery by truck. Just as soon as the present box lumber restrictions are rescinded, we will again be pleased to make shipment of orders calling for Balled and Burlapped Shrubs.

We have been located here for over sixty years.

EVERGREEN TREES

Because of the generous space allowed each plant, and because all are frequently sheared and transplanted, our Evergreens are splendid specimens both from the viewpoint of top growth and root development. In fact, we do not believe that better Evergreens can be obtained anywhere than those which we are growing here at Little Silver, New Jersey.

All prices of Evergreens, quoted in this trade list refer to extra selected specimens, carefully dug with balls of earth, encased in burlap or similar material.

NOTICE

We are very sorry to advise that we cannot accept any orders calling for Balled and Burlapped Evergreens except in carload lots, or for delivery by truck. Just as soon as box lumber becomes available, we hope again to be in a position where we can fill in a proper way orders which call for balled and burlapped material for shipment in wooden cases.

HARDY PERENNIAL PLANTS

Again it is our good fortune to have in stock a large supply of splendid well grown Hardy Perennial plants.

Prices refer to sturdy, field grown plants (unless stated otherwise), such as can be depended upon to produce quick and satisfactory results. (R), following descriptions, indicates that the varieties are especially adapted to the rock garden.

Orders for less than ten plants of a variety or grade will be invoiced at an advance of 25% over the ten rate. We have found it necessary to do this because of the extreme labor shortage.

Special Bargains

We continue to offer a fine assortment of Hardy Perennial plants.

All plants are selected carefully as to color, type of plant and flowering period.

It will be mutually advantageous for our customers when ordering these "Special Bargains" to indicate whether they prefer mostly a majority of tall growing plants, or whether they prefer mostly a majority of medium growing plants, or whether they prefer a majority of dwarf growing sorts.

Blueberries (Huckleberries)

This season, we have the largest supply of Blueberries (Huckleberries) that we have ever had at any one time.

Cabot. Earliest, with a heavy crop of big, delicious blue fruit on a particularly attractive, high-branched bush. 5½ ft.

Concord. This splendid new sort ripens with Pioneer, bearing large fruit of good color, with excellent flavor, and the berries hang on the bush long after ripening.

Jersey. Large, light blue, well-flavored berries are produced on a vigorous bush. Ripens with Rubel.

June. New variety, starts to ripen shortly after Cabot. Extra early, berry is large, sweet and delicious.

Pioneer. Ripens early in the season with spikes of very blue berries.

Rancocas. Ripens just before Rubel, with heavy yield of tasty berries.

Rubel. Latest and heaviest bearing of all. Berries large and of a splendid blue color, and are very good for canning.

Scammell. An improvement on the variety Jersey.

Stanley. Midseason; fruit large. Declared by many to be most delicious of all blueberries.

Terms and Conditions of Sale

The prices published in this list cancel those in all previous lists. They are based on present market conditions and are subject to change without notice.

SPECIAL NOTICE—We exercise the greatest care to keep our stock clean and true to name. Should any be otherwise, we will return the money paid or replace it with other stock, but beyond this we are not liable for damage. A sure indication of the purity of our stock is that our customers continue to deal with us year after year. A Certificate of Inspection is attached to each shipment.

PRICES—These prices apply only to orders placed by bona fide Nurserymen, Florists and Dealers. Not less than 5 of a variety and size will be supplied at the 10 rate, not less than 25 at the hundred rate, and not less than 250 at the thousand rate.

SPECIAL SELECTION—All stock when specially selected on the Nursery will be sold at prices commensurate with the value of the specimens chosen.

PACKING—All stock is carefully packed in boxes or bales, for which a charge will be made based on actual cost of packing material used. This packing charge will apply to orders which have been paid for in advance of shipment, as well as charge orders. After delivery to forwarders, all articles travel at the risk of the purchaser, and if loss or delay occurs, the forwarders alone are responsible.

CLAIMS—If claims are made upon receipt of goods they will be carefully and cheerfully examined and adjusted. Any claims made 15 days after receipt of goods will not be entertained.

TERMS—60 days net, 2% discount 10 days, from date of shipment. Interest at 6% per annum to be paid after maturity. These terms are offered to those of established credit. Cash, security, or satisfactory references are required from customers not known to us. C. O. D. orders must be accompanied by 25% of the purchase price. When ordering please use printed stationery or enclose business card.
